# THE LEGACY CONTINUES

# “IGNITING ENTREPRENEURIAL DREAMS” National Startup Day 2025

Organized by E-Cell, Dept. of CSE, CGC - COE, Landran | 16 January 2025

For National Start-Up Day 2025, the E-Cell of CGC-COE hosted a high-impact event attended by 80+ students, featuring an expert talk and an interactive quiz.

## Key Takeaways

- Insightful expert session by Mr. Anish Kumar, CEO of Makes360, on "Entrepreneurship and Its Future Scope".
- Quiz winners Shavpreet Singh, Vivek Bisht, and Sumanshu demonstrated exceptional awareness of innovation and start-up culture.
- Over 80 participants emphasized resilience, innovation, and the evolving future of entrepreneurship.

## “ Student Perspectives

“The session transformed how I view risks in startups and gave us a fresh outlook on innovation and business challenges.” - Jaspreet, CSE

# “BLOCKCHAIN BREAKTHROUGH” Master Class on Blockchain Technology

Organized by GDG, Dept. of CSE, CGC - COE, Landran | 29 January 2025

For students keen on emerging technologies, the Google Developer Group (GDG) under DSC at CGC-COE hosted a master class on Blockchain on 29th January 2025, the event brought together over 120 participants.

### Key Takeaways

- Speaker Mr. Harman Puri offered valuable insights into Blockchain architecture, smart contracts, and DeFi.
- Real-world case studies on blockchain impact across industries
- The session emphasized the evolution from Web2 to Web3 and career paths in Blockchain development

### Student Perspectives

“I never realized how fast Blockchain is transforming industries until this session.” - Ananya, CSE

Mr. Harman Puri addressing audience queries

Mr. Harman being felicitated for an insightful lecture

Follow us @gdscgc and stay tuned for our next initiative

*“Mr. Harman Puri’s insights gave students the confidence to approach Blockchain not just as a technology, but as a future-shaping force.” - GDG CGC-COE Team*

# “BLITZSTORM OF INNOVATION”

## A Celebration of Knowledge, Gaming & Creativity

Organized by IEEE Club, Dept. of CSE, CGC - COE, Landran | 30 January 2025

The IEEE Club of CGC-COE brought the campus alive on January 30, 2025, with “Blitzstorm of Innovation”. Attended by 394 participants, the event featured two headline attractions: a Buzzer Quiz on Bollywood and action-packed BGMI and Free Fire tournaments.

### Key Takeaways

- ▶ Buzzer Round Quiz: Bollywood, Speed, Memory
- ▶ BGMI & Free Fire Tournaments: Esports, Strategy, Teamwork
- ▶ Participants received cash prizes, making the event both enjoyable and rewarding

HOD sir giving prizes to the winners

Organizing team after the successful wrap-up

### “ Student Perspectives

“A fun, fast-paced event that tested teamwork and created unforgettable moments on and off the screen.” - Rohan, AI & ML

Follow us @[ieee.cgcoe](https://www.instagram.com/ieee.cgcoe) for future updates

*“Blitzstorm of Innovation showcased our commitment to blending fun with learning, giving students a platform to shine both intellectually and competitively.” - Team IEEE, CGC COE*

# “DECODING CYBERCRIME”

## Digital Threats and Psychological Aspects of Cybercrime

Organized by Techno Verse Club, Dept. of CSE, CGC - COE | 31 January 2025

### Key Takeaways

- ▶ Dr. Kawal Jeet Singh provided analysis of cybercrime psychology, digital vulnerabilities, and societal repercussions
- ▶ Over 70 participants attended the session & learnt about the digital vulnerabilities
- ▶ Interactive Q&A Session - Students posed thoughtful questions and engaged in dialogue on real-world cybersecurity scenarios

TechnoVerse Club of CGC COE hosted an insightful expert talk titled “Decoding Cybercrime” The event welcomed Dr. Kawal Jeet Singh, Director of the University Computer Centre (PU, Patiala), who delivered a compelling session that unraveled the multi-faceted nature of cybercrime.

### Student Perspectives

“The session changed my perspective on cyber threats, it's not just about hacking, it's about understanding human behavior and system vulnerabilities.” - Sneha, AI & DS

*“This session helped us understand not just the technology but also the human mindset behind cyber threats. We're thankful to Dr. Kawal Jeet Singh for this enriching experience.” – Techno Verse Club, CGC-COE*

# “INNOVATIVE HANDS-ON AI” Creative Exploration of AI Tools for Real-World Impact

Organized by Visionary Minds Club, Dept. of CSE, CGC - COE | 4 February 2025

Visionary Minds Club of CGC College of Engineering successfully hosted an engaging event titled “Innovative Hands-on AI.” The session was designed to give students a platform to explore, create, and showcase their understanding of AI through a practical video-making challenge.

## Key Takeaways

- ▶ Diverse crowd of around 45+ attendee joined hands-on session on AI video creation.
- ▶ Each created a video showcasing AI's real-world applications.
- ▶ Gained exposure to cutting-edge AI, igniting long-term interest in the field.

Hands on Workshop on the go

Organizing team after the successful wrap-up

## Student Perspectives

“It was eye-opening to see how accessible and powerful AI tools have become. This made me want to dive deeper into AI-based content creation.” - Aarav, CSE

📷 Follow [@the\\_visionary\\_minds\\_cgc](https://www.instagram.com/the_visionary_minds_cgc) for more future updates

*“The event unlocked a new dimension of creativity - it was exciting to see how AI can empower storytelling and turn imagination into innovation.” - Visionary Minds Team*

# “AAVEG 2K25”

## A Grand Celebration of Innovation and Creativity

Organized by: Kerberos Club, Dept. of CSE, CGC - COE, Landran | 7th March 2025

AAVEG 2K25, hosted by the Kerberos Club at CGC-COE, was a dynamic and unforgettable celebration that brought together over 900 students from diverse backgrounds.

### Key Takeaways

- ▶ A vibrant convergence of technology, creativity, and culture, offering something for every interest.
- ▶ Students showcased innovation, problem-solving, and artistic talent through diverse challenges.
- ▶ With 900+ participants, the event fostered collaboration, learning, and an electrifying campus spirit.

Technical Events	Non-Technical Events
Frontend Frenzy	BGMI
Matrix Breakout	Treasure-Hunt
Tech Titans	Tug of War
AI & IQ	Arm Wrestling
Project Display	Cooking Without Fire
	Reel Rebels
	Face Painting

### Student Perspectives

“AAVEG 2K25 was an incredible experience! It was about learning from peers and pushing my creativity to new heights.” - Ishita, AI & ML

📷 Follow us @[kerberos\\_club\\_cgc](#) and stay tuned for our next initiative

“AAVEG 2K25 proved that when passion meets opportunity, magic happens.”  
 - Kerberos Club, CGC COE

# “AI & ML CONCLAVE 2025” Demystifying the Future of Technology

Organized by Technoverse Club, Dept. of CSE, CGC - COE | 18 March 2025

Dr. Amrita Kaur addressing audience queries

Dr. Amrita Kaur delivered a comprehensive session covering the fundamentals of AI and ML, their real-world relevance, and transformative applications in diverse sectors.

### Key Takeaways

- ▶ Developed a strong understanding of core AI and ML concepts
- ▶ Explored real world applications across industries and future possibilities
- ▶ Fostered critical thinking and problem-solving through hands-on activities in almost 80 students

Dr. Amrita being felicitated for an insightful lecture

### Student Perspectives

“The examples shared by Dr. Amrita made the concepts easy to grasp and super relevant to our future careers.” – Nikhil, CSE

Follow us @[technoverse\\_club.coe](https://www.instagram.com/technoverse_club.coe) and stay tuned for our next initiative

“Dr. Amrita Kaur’s session empowered students to see AI and ML not just as technologies, but as tools to shape the future” - Technoverse Club, CGC-COE

# “GOOGLE BOOTCAMP”

## Solution Challenge Bootcamp by Google

Hosted by GDG, Dept. of CSE, CGC - COE, Landran | 24 March 2025

The **Solution Challenge 2025 - Chandigarh Bootcamp by GDSC CGC**, proudly powered by GDG brought together over 400 passionate students from across the country for an immersive experience in the world of AI, innovation, and social impact.

### Key Takeaways

Speakers inspired on various topics:

► Chockalingam M. (Nasscom AI) on the evolving landscape of AI

- Chandra Sekaran (Hope Foundation) on leveraging tech for social good
- Prasad Seth (Google) on developer community building
- Aashi D. & Uzma Faridi on practical applications of ML and branding in tech
- Shradha Gurjar & Subhrajyoti Sen on UI/UX and Android innovation

### Student Perspectives

“Being part of the Solution Challenge Bootcamp was truly inspiring. It showed me how tech can solve real-world problems.” – Simran, CSE, CU

Guests, speakers and audience in the main auditorium

Opening remarks by Head of Dept.

Felicitating our guests for their invaluable contributions.

*“Let us be grateful to the people who make us better; they are the charming gardeners who make our souls blossom.”*  
 - Marcel Proust

# “IOT UNPLUGGED”

## Real-World Learning with Arduino & Sensors

Organized by Visionary Minds Club, Dept. of CSE, CGC - COE | 25 March 2025

An interactive workshop titled “Innovative Techniques Using IoT Implementation” which was attended by 35+ enthusiastic participants, the session was led by Dr. Ritula Thakur, Associate Professor, Electrical Engineering Department at NITTTTR.

### Key Takeaways

- Dr. Ritula Thakur gave practical exposure to IoT concepts and devices to the participants
- Explored real-world IoT applications in automation, smart systems and their role in modern engineering
- Strengthened technical skills with Arduino Uno and IR sensor integration

### Student Perspectives

“The workshop gave me a whole new perspective on IoT drives & smart technologies.” - Yuvraj, CSE

Dr. Ritula Thakur teaching participants about IoT

📷 Follow [@the\\_visionary\\_minds\\_cgc](https://www.instagram.com/the_visionary_minds_cgc) for more future updates

*“This workshop bridged the gap between theory and practice, equipping students with essential IoT skills to innovate for tomorrow.” – Visionary Minds Club, CGC-COE*

# “Hacking the Chain” HackTheBlock ICP-Powered Hackathon 2025

Organized by Technoverse Club, Dept. of CSE, CGC - COE | 26 March 2025

Participants showcasing their projects to the HOD

Mr. Sahil Thakur being felicitated for mentoring

To promote decentralized innovation and hands-on learning, the TechnoVerse Club at CGC-COE organized HackTheBlock 2025, a blockchain hackathon focused on building real-world solutions using Internet Computer Protocol (ICP).

Participants working on their projects

## Key Takeaways

- ▶ Hands-on blockchain development using ICP and Web3 tools.
- ▶ Mr. Sahil Thakur, along team from BLOCKSEBLOCK, provided expert mentorship on real-world innovation and technical execution.
- ▶ Boosted creativity, collaboration, and interest in Web3 careers.

## Student Perspectives

"It was incredible to learn and build alongside real blockchain experts. HackTheBlock opened up a whole new world of possibilities in Web3!" – Karan, AI & DS

Follow us @[technoverse\\_club.coe](https://www.instagram.com/technoverse_club.coe) and stay tuned for our next initiative

*"HackTheBlock 2025 wasn't just a hackathon - it was a launchpad for young innovators ready to shape the decentralized future." – TechnoVerse Club, CGC-COE*

# “BYTE FEST 2025”

## Igniting Innovation, One Byte at a Time

Organized by IETE-SF & IEI-SC, Dept. of CSE, CGC - COE | 28 March 2025

BYTE FEST 2025 was a vibrant celebration of technology and innovation hosted by CGC College of Engineering. The fest brought together tech enthusiasts to engage in exciting challenges that tested their coding skills, web development expertise, technical knowledge, and creative flair.

### Event Outcomes

- ▶ Participants gained hands-on experience in coding, web and design
- ▶ The fest boosted teamwork, creativity, and industry readiness
- ▶ Winners were rewarded with cash prizes and E-certificates

“

### Student Perspectives

"BYTE FEST gave me the push I needed to step out of my comfort zone. Competing and creating in real-time was a game-changer!" – Priya, AI & ML

📷 Follow us @[iete\\_cgcoe](#) and stay tuned for our next initiative

### Key Takeaways

- ▶ The fest saw 200+ participants competing in various events.
- ▶ Tech Whiz – A fast-paced technical quiz  
Web Weave – Web design & development
- ▶ Code Crafters – Debugging & logic building  
Designing Verse – Poster & logo designing

Prize Distribution Moment! BYTE FEST 2K25!

In the zone at BYTE FEST!

*"BYTE FEST 2025 ignited innovation and excitement across campus, empowering students to think, code, and create."  
– IETE-SF & IEI-SC, CGC-COE*

# “STARTUP MAFIA” CEO & Investor Simulation Challenge

Organized by Entrepreneurship Cell, Dept. of CSE, CGC - COE | 4 April 2025

Winners with E Cell team, Faculty and HOD CSE

E-Cell President in Action - turning vision into execution.

To foster entrepreneurial thinking and real-world business learning, E-Cell CGC-COE hosted STARTUP MAFIA, a dynamic offline simulation event replicating the world of startups and investments.

## Key Takeaways

- Event saw attendees over 40 competing and role-playing in real-time business scenarios
- CEO Role - They pitched innovative, scalable startup ideas and understood how to present
- Investor Role - They evaluated pitches, asked critical questions, and negotiated deals that makes them understand game of fundings

Investor Q&A in action!

## Student Perspectives

"E Cell gave us a real taste of the startup world. Pitching as CEOs and thinking like investors made us learn business the practical way." – Aditya, CSE

Follow us @[ecell.cgcoe](https://www.instagram.com/ecell.cgcoe) and stay tuned for our next initiative

*"Startup Mafia sparked the entrepreneurial spirit across campus, helping students step into the startup world with confidence and clarity." - E-Cell, CGC-COE*

# “Industrial Visits 2025”

## Bridging Learning with Real World Experience

Coordinated under the guidance of the Department of CSE, CGC-COE

The Dept. of CSE, CGC COE, organized industrial visits during February and March for all sections of 2nd and 3rd year CSE students. The visits aimed to bridge classroom learning with industry practices.

### Key Highlights

- ▶ Alpha Technologies & Meander Software, Mohali offered insights into Software Development and AI applications.
- ▶ Grazitti Interactive, Panchkula showcased real-world projects in DS and Digital Marketing.
- ▶ Antier Solutions, Mohali – provided deep exposure to Blockchain innovations and fintech solutions.

Industrial Visit to Grazitti Interactive, Panchkula

Industrial Visit to Meander Software, Mohali

Industrial Visit to Alpha Technologies, Mohali

Industrial Visit to Antier Solutions, Mohali

### Student Perspectives

"It was pure adrenaline! Competing, cheering & playing with friends made it an unforgettable mix of college fun and fitness." – Divya, Cyber Security

*"Sports do not build character - they reveal it. Every cheer, every sprint, every setback tells a story of resilience."*  
 - Heywood Broun

# “AWARENESS SESSION ON INTERNATIONAL INTERNSHIP OPPORTUNITIES IN VIETNAM”

Organized by Department of Computer Science Engineering, CGC COE, Landran

The Department of Computer Science Engineering, in collaboration with the Department of International Affairs (DIA), successfully conducted an awareness session on International Internship Opportunities in Vietnam. The session was attended by over 40 students and 3 faculty members, and aimed at informing students about the benefits and procedures of pursuing global internships.

## Key Takeaways

- **Application Process:** Explained steps and eligibility for studying abroad.
- **Financial Overview:** Covered tuition fees, living expenses, and scholarships.
- **Career Impact:** Emphasized value of international internships for employability.
- **Global Exposure:** Encouraged students to explore cross-cultural opportunities.

## Key Outcomes:

- Increased student interest in international internships.
- Enhanced understanding of the application process and financial planning.
- Encouraged exploration of diverse cultures and global work practices.

### Student Perspectives

"A very insightful session! It clarified the application process, financial aspects, and highlighted the value of global internships."

*"The world is a book, and those who do not travel read only one page."*

*- Saint Augustine*

# “Annual Sports Meet” Students’ Sports Highlights 2025

A Celebration of Spirit, Strength, and Sportsmanship in CGC Landran

## Key Highlights

- ▶ **Massive Participation:** 200+ students competed across track, field & team events.
- ▶ **Thrilling Battles:** Football, basketball, 100/200m races, relays, jumps and tug of war finals drew huge cheers.
- ▶ **True Sportsmanship:** Athletes showed unity, discipline, and unstoppable spirit.

The campus came alive with electric energy as students from all years laced up, geared up, and gave it their all in the Annual Sports Meet 2025. From high-speed sprints to high-flying jumps, from intense team battles to roaring crowd support.

## Student Perspectives

"It was pure adrenaline! Competing, cheering & playing with friends made it an unforgettable mix of college fun and fitness." – Manav, AIML

*"Sports do not build character - they reveal it. Every cheer, every sprint, every setback tells a story of resilience."  
- Heywood Broun*

## “Annual Sports Meet Faculty” Champions Beyond the Classroom

CGC College of Engineering Triumphs at Faculty Sporthathon 2025, Bagged the Overall Trophy!

### Key Highlights

- ▶ CGC College of Engineering emerged as the overall champion at Faculty Sporthathon 2025.
- ▶ Faculty showcased exemplary performance across sports like badminton, table tennis, chess, volleyball, and athletics.
- ▶ With multiple podium finishes, CGC secured the prestigious overall trophy.

*"The strength of the team is each individual member. The strength of each member is the team."  
- Phil Jackson*

# HALL OF FAME

## Recognizing the Remarkable in CGC - COE

### CGC COE Winning the Most Promising Engineering Institute in India

#### Key Highlights

- Awarded: CGC-COE as Most Promising Engineering Institute in India
- Occasion: 9th Edition of Education Leaders Conclave & Awards
- Presented by Casio India and co-powered by LEO1.

These achievements are a testament to your unwavering passion & commitment to the education sector. On the way of making a difference!

### HackTheBlock 2025 Winners – Innovation Unleashed on the Blockchain

#### Key Highlights

- 1st Place, Team Code Alpha: IP Registry, a blockchain-based platform on ICP, ensures secure registration and traceability of intellectual property.
- 2nd Place, Team Zen Block: MindChain, a decentralized mental health support system promoting privacy and community-driven care.
- Projects left a deep innovative impact with transparency and purpose.

Both teams stood out for their innovation, impact, and strong alignment with real-world needs in the Web3 space.

### Student of CGC-COE, CSE is Shining in Various Competitions

#### Key Highlights

- National Presence: Ritvik Bhutani, Chair IEEE COE students represented CGC-COE at a prestigious IEEE meet in New Delhi, networking with leaders from IIIT Delhi, DTU, IIT Mandi & more.
- Coding Clash Winner: He secured 1st place in the DSA-based Coding Clash and was felicitated at BVICAM.
- Leadership in Action: Showcased CGC-COE's excellence while strengthening ties within the national IEEE student community.

# HALL OF FAME

## Recognizing the Remarkable in CGC - COE

### SIH Grand Finale Victory for CGC College of Engineering, Landran

#### Key Highlights

- ▶ **National Triumph:** Team Code Crusher from CGC-COE clinched victory at the Smart India Hackathon 2024 Grand Finale, showcasing stellar innovation and technical brilliance.
- ▶ **Pride & Prestige:** Competing among the nation's best, the team brought top honors to CGC-COE.
- ▶ **Heartfelt Congratulations:** The management and faculty proudly applauded the team for their remarkable achievement.

### सीजीसी लांडरा की टीम कोड क्रशर ने स्मार्ट इंडिया हैकाथॉन 2024 में शीर्ष सम्मान जीता

#### Key Highlights

- ▶ **COE Boys Kabaddi Team** clinched 1st Position at the Annual Sports Meet (ASM), showcasing unmatched determination and skill.
- ▶ **The team demonstrated incredible coordination, agility, and sportsmanship** throughout the tournament.
- ▶ **Their victory brought pride to CGC College of Engineering, inspiring fellow students with their dedication and competitive spirit.**

"We are grateful to our mentors and CGC College of Engineering for their unwavering support and guidance throughout this journey." – Team Code Crushers

# HALL OF FAME

## Recognizing the Remarkable in CGC - COE

### A Culture of Innovation: Celebrating Our IIC Achievement

#### Key Highlights

- ▶ CGC-COE achieves **3.5-star** IIC ranking for fostering innovation and startup culture on campus
- ▶ Recognized for impactful initiatives under MoE's Innovation Cell, empowering student entrepreneurs
- ▶ Celebrating our thriving ecosystem of creativity, workshops and government-backed programs

This recognition from IIC validates our collective efforts in building a dynamic culture of creativity and enterprise. Through dedicated mentorship, hands-on learning, and industry-aligned programs, we're transforming ideas into impactful solutions. Let's continue pushing boundaries and writing new success stories together!

### CGC-COE Soars in National Internship Rankings: Bridging Education with Industry Excellence

#### Key Highlights

- ▶ Ranked **#276** nationally among 740+ colleges in Internshala 2024 rankings
- ▶ Empowered students with industry-aligned skills through quality internships
- ▶ Special recognition to **Ms. Neha Sharma** for her pivotal role in creating exceptional internship opportunities for our students.

This national recognition reflects our commitment to creating industry-ready professionals. Through strong industry partnerships and dedicated efforts like those of Ms. Neha Sharma, we've successfully bridged academics with real-world experience. It's a proud moment that motivates us to keep enhancing career opportunities for our students.

# The Heartbeat of CGC COE: Visionaries & Clubs

Dr. Anuj Gupta

“

College is more than grades and placements - it's about growth, friendships, and discovering yourself. Take risks, learn from failures, and celebrate small wins. Remember, we're here to cheer you on every step of the way. Shine on!

– Director Principal, CGC - COE

Dr. Sushil Kamboj

“

Every day, I'm amazed by the energy and creativity you bring to our campus. Whether it's in the labs, classrooms, or beyond - your passion shines through. Keep chasing your dreams, stay kind, and never stop learning.

– HOD CSE, CGC - COE

Dr Pardeep Singh Tiwana

“

This year has been full of hard work and breakthroughs. Whether you're gearing up for interviews or exploring new paths, trust your journey. You've got what it takes - just believe in yourself. Let's make it count! – Placement Coordinator, CGC - COE

Mr Jagbir Singh Gill

“

Life isn't about having all the answers - it's about being ready to learn. Ask questions, lean on your peers, and enjoy the process. Big things are ahead, and I can't wait to see you soar! – Placement Coordinator, CGC - COE
