

# 2<sup>nd</sup> International Conference on Innovations in Computing (ICIC 2018)

Department of Computer Science & Engineering  
CGC College of Engineering  
Visvesvaraya Block | CGC Campus | Mohali | India

Conference Dates: 13 - 14 December 2018

## Greetings from CGC

Established with the vision to be the most preferred educational group with global recognition, Chandigarh Group of Colleges has become one of the leading Educational Group of the country. Chandigarh Group of Colleges started its first Campus at Landran in the year 2001, and has dynamically evolved in a healthy challenging environment within state of art campuses. Guided by a set of faculty who are alumni of IIT's and other top Institutions of the country, CGC has come to lead others with unique teaching methods, path breaking researches and quality placements.

## About ICIC 2018

ICIC is an international forum for researchers, engineers, academicians as well as industrial professionals from all over the world to share and publicize their research work and development activities in the field of Cloud Computing. This conference provides opportunities to our university students to interact with the external researchers and delegates to exchange new ideas and application experiences face to face, also helps the university to find global partners for establishing educational and research relations and for future collaboration. The conference holistically aims to promote translation of basic research into applied investigation and convert applied investigation into practice. This conference will also create awareness about the importance of basic scientific research in related fields and synchronizing with product market.

## Paper Submission

Original research papers must be submitted according to IEEE template. Papers will be selected based on their originality, timeliness, significance, relevance, and clarity of presentation. At least one of the authors of each accepted paper must register for the conference and present their paper in person at the conference.

Papers shall be submitted through EasyChair at:
