	1628087	Kanika	6 th
	1726383	Neha Sharma	6 th
	1628183	Sachin Sharma	6 th
	1628225	Sudhanshu	6 th
	1628257	Yadwinder Kumar	6 th
Team Mentors	Dr. Anuj Gupta Ms. Vandana Mohindru		
NP Complete Problem Statement	Citizen Feedback on Road Maintenance India is a developing country and today we are in an era of digitalization. To develop the economy of the country, transportation plays an important role. A road helps in connectivity even in remote locations. So for the better management of roads we have come up with the idea of a mobile based application which will use geographical information system (GIS).		
CASH Prize	50,000		
Position	First
