

## Guest lecture

- IEEE Student Chapter
- Event: Guest Lecture on **Innovative Techniques To Draft Research Article**

The IEEE Club at CGC College of Engineering hosted "IEEE Innovation Day," featuring a guest lecture by **Dr. Dhavleesh Rattan**, Assistant Professor at Punjabi University, Patiala on **1st Oct 2024**. As a renowned expert in software clone detection, Dr. Rattan delivered a presentation on innovative research article writing techniques. His talk covered essential topics, such as conducting comprehensive literature reviews, developing research questions, and writing impactful papers. The audience, mainly engineering students, and teachers found the session highly engaging and informative.
